MEDICAL CONSENT and OFFICE POLICIES

HOURS OF OPERATION

Monday through Friday 9:00am - 12:00 noon and 1:00pm - 5:00pm

Our office is located at the corner of Wilshire and Le Doux, one block west of La Cienega. Valet parking is available in the building. You may also park on the street in the surrounding neighborhood. Be sure to read the parking signs carefully. Please allow adequate time to get to your appointment.

If you have a question, we encourage you to call our office during office hours. Our experienced nurses are trained to help you. If you need to speak with your doctor, your call will be returned between patients, during lunch and after 5:00pm. When the office is closed, one of our doctors is always available by phone. Please call the office and listen to the entire message. It will instruct you on how to reach the doctor on call. We appreciate that our patients recognize that when the office is closed, it is our time to spend with family and friends. Thank you for only calling after hours for matters that cannot wait until the next business day.

Please visit our website at www.beverlyhillspediatrics.com. It has helpful hints on common illnesses and standard tables for medications.

FINANCIAL POLICIES

We will bill your insurance company after each visit. It is your responsibility to keep your insurance and personal information current in our files. Copays must be paid at the time of service. This is a contractual agreement that you have with your insurance company. After your visit charges have been reconciled with your insurance, you will receive a billing statement from our office. Any balance remaining on your account for services not covered by your insurance company is your responsibility. The amount on this statement will reflect your balance, and that balance is payable on receipt. We send bills on the third of each month. A \$25.00 late fee will be automatically added to your bill for every 30 days your payment is late.

We do offer an E-Z pay option. You can keep your credit card on file and your balance will be automatically charged to your account on the 15th of the month. You will still receive a statement from our office. Please complete the E-Z Pay Agreement form and give to one of our front office coordinators.

We do not verify insurance coverage. You will need to call your carrier and verify our participation in your network to determine your coverage. We also suggest that you familiarize yourselves with your insurance policy regarding well check-ups as well as all coverage limitations. We are pleased to bill your insurance for you, if your information is current in our system. Please be sure to notify us of any changes in insurance, address or phone numbers. Remember newborns must be added to your insurance plan within the first 30 days after birth.

Beverly Hills Pediatrics Annual Family Fee is due June 1st of each calendar year. This fee will be prorated your first year at the practice. For detailed information please visit our website at www.beverlyhillspediatrics.com

You can reach our billing department Tuesday - Thursday from 7:00am - 5:00pm at 713-896-3131 or at billing@beverlyhillspediatrics.com.

APPOINTMENTS

In order to see all of our patients on time (or even early), we encourage our patients to arrive 15 minutes prior to the scheduled appointment time. Patients who arrive more than 15 minutes late will be rescheduled. In order to receive your preferred date and time for your well-child visits, we ask that you schedule your appointments 4 to 8 weeks in advance. Please give us a minimum of two weeks to complete and return school and camp forms.

All appointments must be scheduled including sick visits. Sick visits can be booked and seen on the same day. There is a \$50.00 charge to be seen without first scheduling an appointment. We have two entrances to our office. Please be sure to enter through the "not so well" entrance door when your child is sick.

Failure to appear for a scheduled well child appointment will result in a \$50.00 charge. Canceling less than 24 hours prior to a scheduled appointment will result in a \$25.00 charge.

If your child is experiencing a life-threatening emergency call 911 or go immediately to your nearest emergency room.
